HEROES For Students rallies the community around our schools through guest speakers and community events in schools. HEROES For Students exposes students to the life stories of community leaders, engages students in the real world application of their classroom content, and empowers students to set and reach ambitious goals by facilitating a network between community leaders and K-12 schools.

## GET INVOLVED!

**HEROES:** If you want to give back to the community and inspire students to be the best they can be, please click [here](#) to register to be a HERO so we can match you with a classroom.

**TEACHERS:** As a teacher you know your students have so much potential. If you would like to expose your students to a diversity of careers and further engage them in their course content by connecting it to real-world application, please click [here](#) to register as a teacher so we can match you with a HERO.

**VOLUNTEERS:** There are so many ways you can help today's youth. If you love what we're doing and want to volunteer your skills and expertise to helping us grow our impact at HEROES For Students, please click [here](#) to send your volunteer request by e-mail. We are always looking for passionate individuals who want to effect positive change in the realm of education.
